SHIELD+ Risk Assessment Report

Dear Customer UESTC:

Thank you for choosing the SHIELD+ insurance plan. Based on your detailed information and your vehicle's smart configurations, we conducted a multi-dimensional risk assessment to ensure a transparent and personalized insurance experience for you.

Your Risk Rating: A

Your comprehensive risk assessment score is excellent, demonstrating highly safe driving habits and low-risk driving behavior. Therefore, your risk rating is classified as A. We are pleased to offer you an exclusive discount based on this evaluation result!

Exclusive Discount

Contact us to receive a 20%-25% discount! Your risk rating and driving record qualify you for the SHIELD+ plan discount. This exclusive discount is our way of rewarding your safe driving behavior and helping you enjoy lower insurance costs.

Report Summary

- 1. Vehicle Safety Features:** Your vehicle is equipped with advanced driver assistance systems, contributing to risk reduction.
- 2. Driving Behavior Analysis:** Analysis of your driving data shows high levels of safety and stability.
- 3. Overall Risk Score:** Combining multiple data indicators, your risk score is rated as A, indicating low risk.

Please continue to maintain your excellent driving habits. Should you have any questions or need further insurance assistance, please do not hesitate to contact our expert team. We are here to serve you.
